

TOWN OF WORTHINGTON
MINUTES
MARCH 8, 2022

The Worthington Town Board met for their regular monthly meeting on March 8, 2022. Members present Tom Franklin, Gerren Cullison, Brian Stoner and Barry Hoover.

Tom Franklin made the motion to approve the previous monthly minutes. Brian Stoner was the second. Motion carried.

Brian Stoner made the motion to approve the claims. Barry Hoover was the second. Motion carried.

Barry Hoover was welcomed to the board. He replaced Tom Shelton. Barry also agreed to replace Tom Shelton on the Fire Territory board.

Jeff Clark had come into the Town hall and talked about a tree on his property that needs to come down. He feels it's the town's responsibility. The board is going to look into it. He didn't show up to the meeting to talk to the board.

Tony Calvert called in and talked to the board about the buildings on East Main. He is interested in buying the old beauty shop building and has the hope that the Greene County board would be willing to give the town the next 2 buildings and the town give them to him to restore if possible or reconstruct if necessary. He would like to put several small businesses in the buildings.

Marshal O'Malley gave a report on the police cars. The first new one we received has problems overheating. It is back at the dealership. This is all under warranty. The 2010 Charger has a bad cylinder. The 2013 has an internal water pump going out. The 09 Charger is the best one to repair. Linton auto mechanics are going to work on it.

With nothing further Barry Hoover made a motion to adjourn, with Tom Franklin being the second. Motion carried.
